HTA-I-10-57

MEMORANDUM FOR: Security Officer, OSI

THROUGH: Acting Chief, Geographic Research

THROUGH: Chief, Photo Intelligence Division, ORR

SUBJECT: Procurement of "Q" Clearance for HTA-I
Personnel

1. Completed Personnel Security Questionnaires are enclosed for GP/I personnel requiring "Q" clearance.

2. This clearance is required in order for the PI analysts of the Industrial Branch to discharge their responsibilities in providing intelligence in the fields of Nuclear Energy and Guided Missiles. Without such clearance we cannot effectively meet the requirements laid on the Branch by other Offices of the Agency.

Chief, Industrial Branch, D/GP
